

Completed quilt shown indicates the arrangement of the quilt blocks

Special note: The four blocks in the last row of the quilt are two-thirds of a full block and will measure only 9" x 18"

A one-third size block diagram is shown indicating the color arrangement and method of piecing. The letters stand for the colors: L-light green, M-medium green, D-dark green. The accompanying numbers (1, 2, 3, and 4) indicate the pattern parts used.

A former interior designer and student of textile design, Brigitte Heitland has been sewing since she was a young girl. Coming from making her own clothes, German Brigitte learned only a few years ago about quilting, but was at once hooked on. She brings her modern and sophisticated style in her quilts characterized by shrewd simplicity, harmonious color and class workmanship. Brigitte launched her brand ZEN CHIC in 2010 and designs not only quilt patterns but also her own fabric lines. Besides she is an experienced longarm quilter and since modern quilting is so dear to her heart she teaches different classes about contemporary quilting techniques and good use of color. Brigitte is mother of three children and lives with her family in Germany. To learn more about her style you're invited to visit her website www.brigitteheitland.de

INSPIRED

The recently introduced line PAPER and the new follow-up group INK are two siblings that convey the distinct style of Zen Chic: spare, clean, and modern. Both are background fabrics with all the features that make them such essential quilt companions. While PAPER is an assortment of light fabrics in hues of white, cream, and linen, the brand-new line INK covers the need for a dark palette with black, graphite, and gray tones.
