

# MIGHTY MACHINES

LYDIA NELSON

*of Dreamy Quilts*

DARLING FOR ALL 'BOY OR GIRL 'BIG OR SMALL

Flying, hauling, transporting; Mighty Machines is a collection inspired by my three young boys (and one grown boy) who have a passion for trucks, planes, fire engines, and all things that move. Whether it's peeking out the window each week to catch the garbage truck, spotting planes in the sky, watching a firetruck flashing by, or rolling around a toy dump truck, these machines have amazed boys and girls of all ages. Mighty Machines fabric is made with iconic images of vintage and unique motorized transport; dedicated to those with a passion for strength, steel, and horsepower.
