

# Strawberries & Rhubarb

## FIG TREE & CO

I don't know about you but the moment I hear the words "Strawberries & Rhubarb", my mouth begins to water, and my thoughts turn to jam-making and afternoons in our summer kitchen. There is just something about that perfect combination of sweet and tangy that instantly transports me to simpler times and makes me want to bake! The colors in this collection are inspired by the colors of ripe strawberries and the bright green of those tart rhubarb stems. It is filled with bright reds, warm corals, soft pinks and bright apple greens. We certainly hope these mouth-watering colors inspire not only your quilting but maybe even your baking this season!
