

Favorite Things

by Sherri & Chelsi

Favorite Things is a tribute to our family Christmas stories going all the way back to our childhoods when handmade items in soft packages from one Grandma were a standard and the chimes of Christmas music boxes gifted by another grandmother filled the air. This collection combines the whimsy of the magic of the season with beautiful florals and prints for a variety of celebrations today. Of course, there are polka dots, stripes, and plaids along with daisies, leaves, florals, and geometric prints. Beautiful shades of red, green, pink, and dark and light grey create a palette not only classic but also modern for your Christmas and everyday sewing and quilting. You'll find that this beautiful collection is extremely versatile and works for sewing throughout the year in many different color combinations. We're excited to share this lovely collection with you and see the beautiful projects and quilts you create with it!
