

NIGHT OWL BY GINGIBER

Step into the enchanting world of the forest after dark with our latest fabric line, Night Owl. This collection invites you to explore a moonlit woodland teeming with quiet magic and hidden treasures. Each fabric tells a story, featuring the graceful silhouettes of owls, the whimsical charm of mushrooms, and the lush textures of forest flora, all captured through Gingiber's signature hand-illustrated artistry. A rich palette of midnight blues, mossy greens, earthy browns, and glimmers of soft silver reflects the serene beauty of nature under a starlit sky. Perfect for crafting cozy quilts, imaginative apparel, and woodland-inspired home décor, Night Owl by Stacie Bloomfield transforms your creations into timeless pieces that echo the quiet mystery and elegance of the forest at night.
