

Sandalwood

3 Sisters

Stroll through a field of flowers with 3 Sisters as the setting sun casts a rose-gold glow on wild blooms waving in the breeze. Along the horizon, the sky fades from a dusty, minty blue into a soft rose quartz pink, while the edges of the sky are tinged with the inky indigo of night.

With Sandalwood, 3 Sisters — known for their eclectic interpretation of nostalgic designs with a contemporary sensibility — have combined romantic, sophisticated prints with a stylish color palette to capture those fleeting, magical moments when day turns to night.
